

MONTESSORI NEWS
April - 2013

PLEASE NOTE -The class rosters for the Fall 2013 school year are starting to fill up! If you will be sending your child in the Fall, please be sure to get your enrollment form in very soon to assure you get the classes that you want.

*****Mark Your Calendar – Spring Program,
Sunday, April 28th 1 PM ******

NEW to MONTESSORI SCHOOL of WAUSAU - FINDER'S FEE

If you recommend our school to another family, and they enroll their child, you will be credited \$50 for a full-time/ \$25 for a part-time enrollment, after the child has been in the program for 2 months.

The snow is finally melting, and it won't be long before the summer is upon us. The Summer School schedule will be coming out next week. Please return it as soon as possible to be sure that we can accommodate your schedule. There are fun, educational units the summer through- and you can sign up for as little as a few hours or entire weeks throughout the summer - it's a good way to keep your child involved with the school and his/her friends. Also, if you know of anyone who does not currently attend Montessori, but needs a summer program for their child, please be sure to give them a Summer School brochure- we have plenty in the Office!

Plant Sale Orders Due Back – Monday, April 8th

MARCH CURRICULUM-

Sue's Class-

Week 1-The continent of Africa; looking for signs of Spring!

Week 2- African animals and folk tales

Week 3-Insects are fun!

Week 4-Earth Day – let's learn how to take care of our planet.

Week 5-Our caterpillars should be here and we will begin observing their amazing metamorphosis into Painted Lady butterflies.

Susie's Class-

Week 1-Amphibians – the life cycle of a frog: frogs and toads

Week 2-Introduction to Africa – flat map of Africa – animals and culture basket of Africa

Week 3-Introduction to Insects

Week 4-Earth Day – taking care of our planet

Week 5-We will study a few hungry caterpillars in our classroom, watch them take a nice long nap in a chrysalis and hopefully witness a little miracle in front of our eyes.

Joanne's Class-

Week 1-Letter S: Spring, sun, snakes, snails, and Spain

Week 2- Letter I: insects, ice, iguanas, and India

Week 3- Letters X, Y, and Z: x-rays, xylophone, yak, zoo, Zimbabwe

Week 4- Earth Week – let's learn ways to take care of the earth

Week 5- Transportation – cars, trucks, and things that go – ways we move things from one place to another.

SPRING PLANT SALE

We can all help out our school and enjoy beautiful Flowers all summer long – Be sure to check with neighbors, friends, co-workers as well – Order your plants from our plant sale and they will be available here at the school on May 7 – 8th . The money raised will be used for new classroom materials for the children. We would really appreciate your help in making this Plant Sale a success!!!
